

Course Overview & Structure

One to One English Course

ENGLISH

LONDON PT COLLEGE

www.lptcollege.co.uk

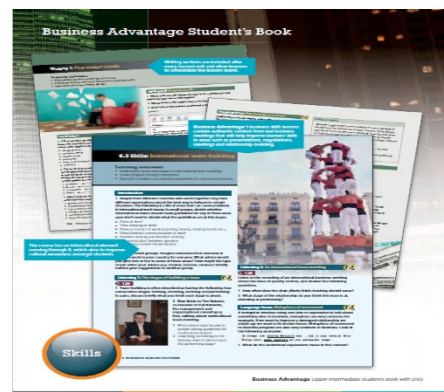

Course info:

- Language placement assessment including grammar, oral and writing - carried out on your first day, this assessment ensures you are placed in the right class.
- Regular progress monitoring - this will take place with your teacher along with monthly progress tests and fortnightly tutorials in order to measure your achievement and highlight areas requiring extra attention.
- Certificate of achievement - upon completion of the course
- Personalised assessment - progress report giving an assessment of your progress in all of the main study areas.
- Access to Twin e-Learning - our very own virtual learning environment. Access is from the time of booking until three months after completion of the course
- Twin social programme - different events, activities and outings every week, many of which are free.

- Job interview preparation

English Language One to One

Overview:

One-to-one courses are ideal if you want to develop your English for a specific purpose such as a spoken English tutorial or English for business, finance or law. This option can also offer help on exam preparation such as one of the Cambridge exams, including Cambridge FCE, Cambridge CAE and CPE. If you're looking for work, you can take one-to-one lessons to work on your CV and prepare for your job interview.
